

EDUCATION CERTIFICATE

Ms. Anna Laura de Faria Ramos, born on February 23, 1995, completed an apprenticeship as a graphic designer specializing in conception and visualization at our company from July 31, 2023, to June 20, 2025.

mumbomedia serves clients nationwide as a full-service advertising agency.

Ms. de Faria Ramos's responsibilities primarily included the following tasks involving advanced use of Adobe Photoshop, Illustrator, InDesign, After Effects, Premiere, Camera Raw, WordPress, Figma, MS Word, PowerPoint and Excel.

- Creating drawings with Illustrator
- Image editing and retouching with Photoshop
- Animations with After Effects
- Film editing with Premiere
- Logo design, corporate design development
- Photography
- Implementation and maintenance of websites with WordPress
- Project management
- Design of print products including print proofing with Adobe Acrobat
- She successfully completed the courses "Adobe Design Basics" and "Mastering the Grid – Logo Development."

Ms. de Faria Ramos has extremely comprehensive and outstanding expertise, which she always used confidently and successfully to accomplish her tasks. She quickly familiarized herself with the tasks assigned to her and pursued the agreed-upon goals sustainably and with the utmost success. She is extremely reliable, and her work style is always characterized by very careful planning, systematic approach, and accuracy. She was always able to cope with the highest time pressure and workload. She always achieved excellent results in terms of both quality and quantity. Ms. de Faria Ramos fulfilled the tasks assigned to her in every respect to our complete satisfaction and with a very good attitude toward her work. Her behavior toward superiors, colleagues, and customers was always exemplary.

Ms. de Faria Ramos proved to be extremely responsible and absolutely trustworthy. She quickly became a full member of our team and was taken on as a permanent employee after her training.
